Anatomic Dissections October 7th

We are delighted to invite you for the European Dissection Course dedicated to face lift surgery and blepharoplasty. This hands-on training course offers to review all the fundamentals of facial surgical anatomy and gives you the unique opportunity to practice all the essential surgical techniques, including deep plane face- and neck lift, upper and lower eyelid blepharoplasty.

Per Regensburg tradition, dissections will be on fresh frozen specimen of excellent quality.

Prices

- reduced EAFPS, RSE (two participants per head): .. € 1750
- regular (two participants per head): € 1950

Pre-congress Get-together cocktail October 6th, 18:00

Finesse Center Regensburg
Fröhliche-Türken-Str. 8
93047 Regensburg

Hotels, Transport, Registration

Fly into Munich Airport; door to door shuttle transfer can be booked. Beautiful and moderately priced Hotels „Goliath“ and „Achat“ are available in the heart of the old town. For all information see: www.facial-plastic-surgery.eu or contact europencourse.regensburg@gmail.com

Dept. of Anatomy, University of
Regensburg, Chair: Prof. Dr. E. Tamm**

Dear Colleagues and Friends:

We would like to invite you to the European Face Lift Dissection Course in the beautiful city of Regensburg, Germany. Per tradition, you will be offered excellent quality fresh frozen specimens to practice a variety of face lift techniques and blepharoplasty. This one day intensive course will be tutored by expert surgeons. Brief instructional lectures will be given for each segment of dissection. Two participants will share one specimen and be able to learn by performing dissections on both sides.

Regensburg is one of Germany's most wonderful medieval towns, relaxing yet vibrant. The town is located close to Munich. Travel is easy through Munich airport, and hotel accommodation is affordable. Share the enthusiasm of over 1600 colleagues who have attended the past Regensburg conferences.

Please join us for this unique event and share a memorable time.

Holger G. Gassner
Kofi D. Boahene
Abel-Jan Tasman
